

Deutsche Molkky Meisterschaft

9th German Open Molkky Championship 2016

18. - 19. June 2016, Erlangen

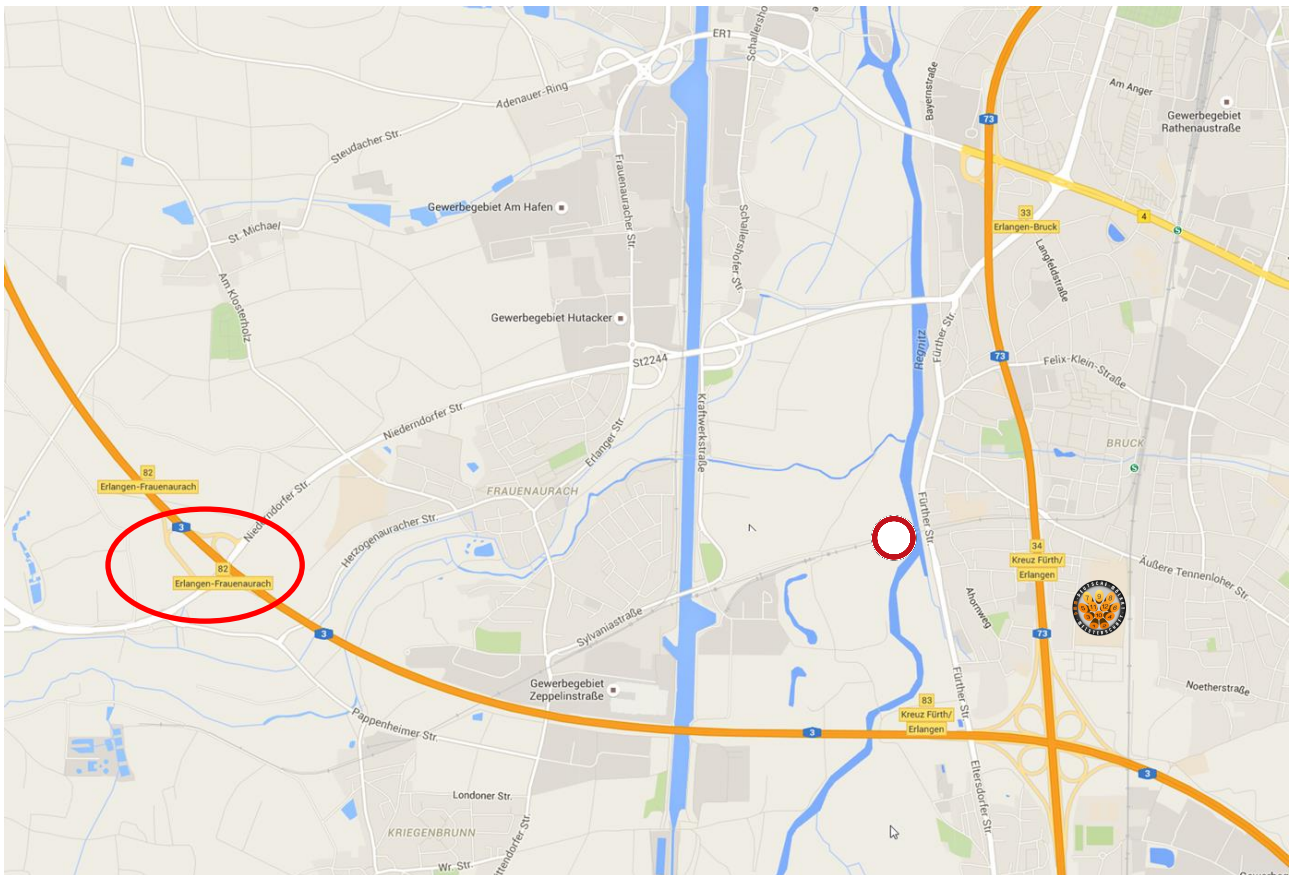

Information

Dear Molkky players,

Welcome to the DMM 2016!
Below are a few notes.

Information for motorists

For the A3 motorway:
Please do not use the exit "Erlangen-Frauenaurach" because the bridge over the Regnitz has a full closure.

18. - 19. June 2016, Erlangen

Important: The game folder

Each team must pick up its individual game folder at the information on Saturday morning from 9:00 to 9:30 o'clock.

It contains:

- 4 to 6 self-adhesive name badges with your printed team name (Not to be used on leather, silk and velvet). If still necessary please write your given names on them. Waterproofed felt-tip pens are available at the information desk. (All other pens smear over!)
The badges are for Saturday and Sunday, removing and sticking to another textile should be no problem.
- Individual fixture list (schedule of games)
The list shows you against whom on which court at what time you will have a game.
Further you can use it for your run of the play.
- Poll sheet
Please fill it out and return it to the information desk.
- 1 ball pen

Behavior

We are guests at FSV:

Please keep clean the sports facilities.

Camping is allowed on the basis of an exemption.

Nevertheless, respect the peaceful environment from 24:00 clock.

We would like to come back next year.

18. - 19. June 2016, Erlangen

Course of the game

Preliminary rounds:

During the preliminary rounds each game court has its own clipboard with all corresponding fixture lists. Please provide the signed paper to the information desk after each game.

KO rounds:

The next game can be seen on the monitor. Please go to the information desk with the game number (above left) and pick up your relevant fixture list.

Other:

All courts are numbered. The game is not limited to the marked area; skittles can stand outside of the marking lines as well.

If there are any ambiguities, please contact one main referee.

Referees

Two main referees (Horst and Walter) will help with tricky questions. If the teams will not come to an arrangement, just fetch a main referee who will make a decision.

We are looking for volunteers, who could act as a referee for the quarter-finals ("Round of 8") onwards. If you are interested, please come forward to the information desk and be subscribed as a referee for one of the final rounds.

Now you need to remember only the time and then you referee the game ;-)

We would appreciate any help!

We wish all teams a lot of fun and success!

Your DMM Team
